School News

Dear Parents and Carers,

Last week started with a fantastic trip to Marwell Zoo for Shakespeare class where everyone had a great time. Although it was a long day, the children were incredibly well behaved and are an absolute credit to you. I would also like to thank Mrs Blais for giving our minibus a spring clean after the trip.

As exciting that it was for the children on Thursday, awaiting the snow fall and their anticipation of a 'snow day' on Friday, we remained open. I would like to thank all of you and your children for your patience in coming into the school building through the front entrance on Friday morning.

We are still receiving reports of head lice. Please can you check and treat as necessary. I have been in contact with the school nurse who has sent us a leaflet about how to deal with head lice which is attached to the end of this newsletter.

We have been through the lost property and handed out all named items. There are still a few unclaimed items left in the lost property box. If these items are not claimed by half term they will be going in the recycle bin outside of the office.

We have a parents coffee morning this Tuesday at 9:00am in the hall where you are all welcome to join us. The lost property will be available for you to check through at the meeting.

I would like to wish good luck this week to the Under 11 girl's football team who are playing away to Shalfleet and to all the children that are representing the school in the interschool cross country on Friday.

Kind Regards

Mrs Tombleson

**Challenge - Achieve –

How we CARE!**

We have been talking about caring for our own property this week as lots of things are being left on the floors of the cloak and changing rooms. The focus this week is about respecting our property and making sure that everything has its place and is tidied away.

The children have been working really hard on their handwriting and I am seeing a lot of effort in forming letters correctly and of the right size. Congratulations to all those who have achieved both handwriting and CARE awards this week.
