

## School News

**Dear Parents and Carers,**

**Welcome back:** I have been catching up with the children with their holidays and hearing about all of their adventures. You really have made the most of the half-term and the lovely weather we had. It all seems so long ago now as we have returned to school life at full pace with the planetarium in this week for Shakespeare Class, as well as going for walks and doing learning outside of the classroom, which has created a real buzz for learning with the children.

It has been really nice to have had the opportunity to welcome you in to school this week for parent evenings and thank you for filling in the parent surveys. It helps to give us a clear picture of your views and allows us to work harder to make the school a better place for your children.

**World Book Day:** Next week we have World Book Day on Thursday 7<sup>th</sup> March. The children can come in dressed as their favourite book character and they will be doing lots of exciting things in their classes. Also, look out for our spud design competition for World Book Day on 7<sup>th</sup> March. There is more information at the end of our newsletter. To round off World Book Day, after school we have Usbourne Books visiting with a wide range of books for sale where the children can use their book tokens as payment towards the books. Any money spent will help to raise money for us to spend on books for the school.

**Science Week:** The week after next we will be mixing up the classes in the afternoons for exciting science activities. The children from Years one to six will be rearranged into vertical classes based on their house groups and spend an afternoon in each class doing science investigations. Reception will be doing their own science investigations with Mrs Smith. To start this off, on Monday 11<sup>th</sup> March, the children have the opportunity to come to school dressed as a scientist. Here are some simple ideas which can be made from old shirts and t-shirts.

Have a lovely weekend and we will see you on Monday.

**Mrs Tombleson**

**Challenge - Achieve –  
Respect - Enjoy  
How we CARE!**

How we Challenge Achieve Respect  
and Enjoy:

This week we have been thinking about how we CARE, focusing on our self-regulation. We have been reflecting on how we can stop, think and do; making the right choices; and admitting when I have made the wrong choice.

**SCHOOL DIARY DATES**

**March**

***Wednesday 6th - U11 Football vs Wroxall away***

***Thursday 7th - World Book Day - Usbourne Books at 2pm in Hall***
