Intent for English

At Chillerton and Rookley and Godshill Primary School, we believe English and the teaching of English is the foundation of our curriculum. We aim is to ensure that every child becomes primary literate and makes good progress in the areas of reading, writing, speaking and listening. English is not only taught as a discrete subject but that it is embedded throughout the curriculum.

Writing

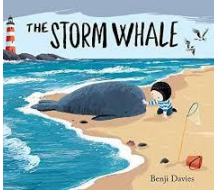

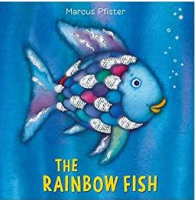

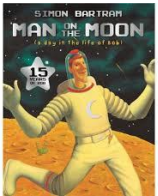

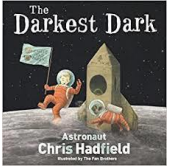

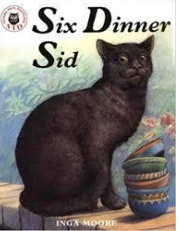

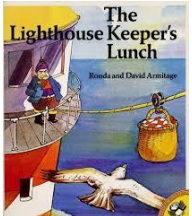

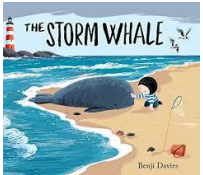

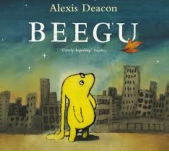

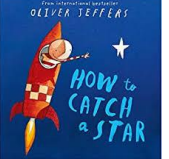

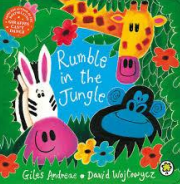

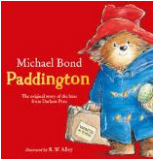

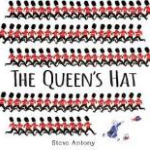

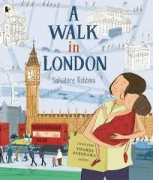

We aim to promote high standards of writing through clear effective planning and teaching ensuring curriculum expectations and progression of skills are met. We want children to develop love of writing and to be able to express their thoughts and ideas clearly, creatively and powerfully through the written word. We want children to acquire a wide vocabulary, a solid understanding of grammar and punctuation and be able to spell new words by effectively applying the spelling rules and patterns they learn. We want them to write clearly, accurately and coherently, adapting their language and style for a range of contexts, purposes and audiences.

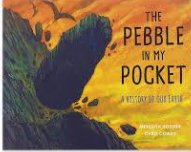

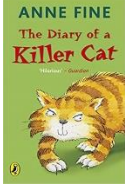

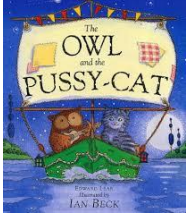

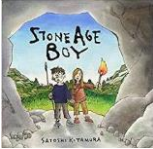

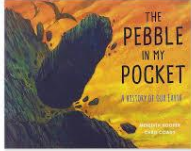

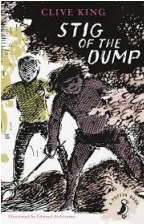

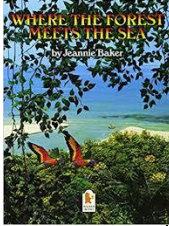

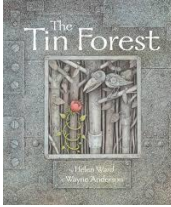

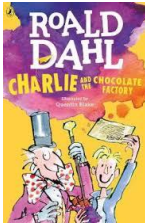

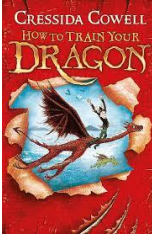

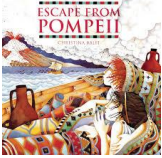

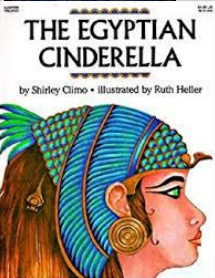

Reading

In reading we aim for children to be confident, fluent, critical and appreciative readers who are able to make their own choices about what they read. We want to encourage them to develop a love of reading and become lifelong readers.

Speaking and listening

We aim to inspire children to be confident and competent in the art of speaking and listening and be able to use discussion to communicate and further their learning. We want children to express their opinions, articulate feelings and respond appropriately in a range of situations. We want them to speak audibly, clearly and with confidence and to listen to and value and appreciate the views of others.
