Dungeon Runners event at Waterstones

They are very excited to announce that this Sunday they will have Kieran Larwood in store signing copies of his new book series Dungeon Runners from 2pm !

Dogs

Just a polite reminder that dogs are **not permitted** on school grounds at any time even if being carried.

Many thanks for your co-operation with this matter.

Pre-school

This week in Preschool we have enjoyed welcoming the children back after the half term. This week in Preschool we have been focusing on independence and the children learning to complete tasks more independently. We have been focusing on putting shoes in the basket and our drinks in the tray. At snack we have been spreading our own butter and using cutlery.

Reception

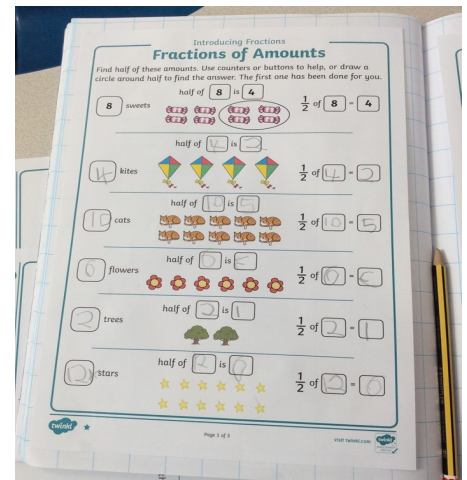

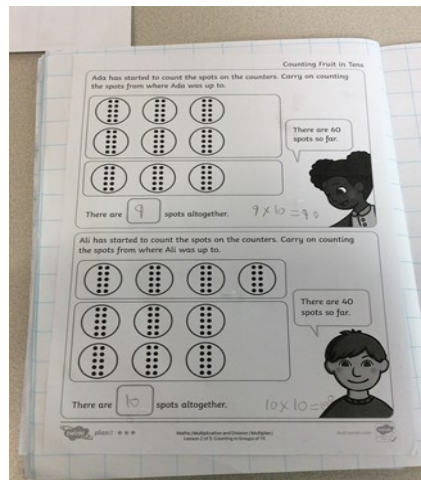

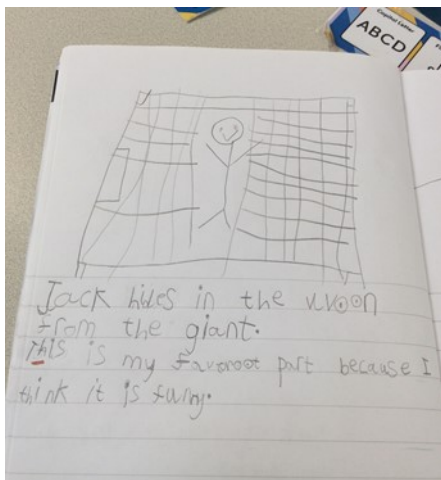

Our adventures in Reception class this week have taken us on a music journey. The children have all shown off their skills in joining materials together and completing their plans as they made their own musical instruments.

Mrs Cooper, Mrs Smith and Mrs Sargent were all very very impressed with how wonderful the instruments sounded and how the children all shared the resources wonderfully.

Year 1

This week the children have their new text for English which is "Jack And The Beanstalk." The children have drawn their favourite part of the story and they then wrote a few sentences about what they have drawn and why it is their favourite part. They have also drawn their own story map to help them remember the different parts of the story. In Maths we have been counting in 10s and halving numbers. All the children have worked really hard this week. Well done Year 1

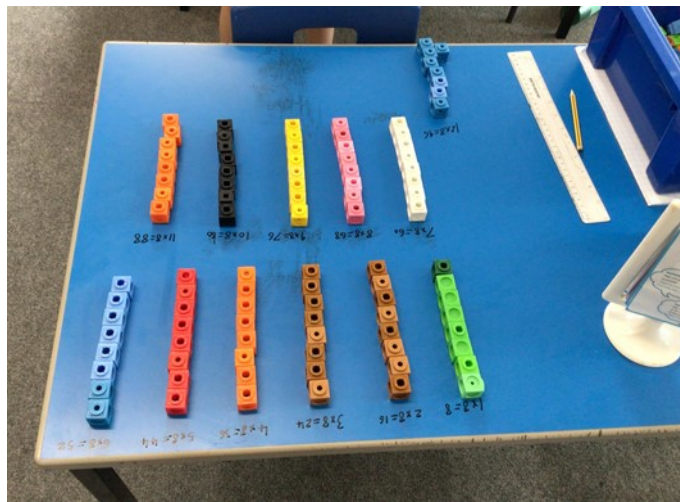

Year 2

This week Year 2 have enjoyed completing their learning about our history topic of Kings and Queens. In History lessons this week, the children have been locating Osborne House on the Isle of Wight and comparing its location to Buckingham Palace in London. We have started a new English topic and have explored our new class text "Beast Feast." The children have had to make predictions based on clues they can see on the book cover.

Year 3

It has been a busy first week back after the break and the children have been straight back into their learning. In Maths, we have been learning the 8 times table and understanding that we already knew some of the 8 times tables so there were less new facts to learn. In English, we have started to read our new book, "Esio Trot" by Roald Dahl and the children have been enjoying hearing about Mr Hoppy and his tortoise plans. In History we learned about Alfred The Great and his place in our Anglo-Saxon history.

Year 4

This week Year 4 have started looking at their new book in English - "Greenling". To start the unit we used our senses to describe different fruits.

Year 5

Year 5 have had a super busy week this week! On Tuesday we had our first swimming lesson in which the children were amazing and some had a go at trying things out of their comfort zone. On Thursday and Friday we went on our residential in the New Forest. We had an amazing trip which included a trip to Moors Valley and Marwell Zoo.

Year 6

This week Year 6 have gone 'overboard' with water skills and activities. We had a fabulous day on Monday at UKSA where all participated even though some of us were anxious. The hardest task for most was squeezing into the wetsuits.

Stars of the week

Stars of the week	
Everly H	For consistency and determination to progress your mathematical ability. You have shown that hard work pays off.
Tommy M	Tommy has shown a really lovely attitude towards his friends and all the members of the class love having him in the class and always greet him with a smile and a hug, which just goes to show how lovely the friendships are that he has made.
Evie H	Evie for working really hard in phonics. Evie has really been pushing herself in learning her sounds. She has started to use her phonics knowledge in her English lessons.
Alfie H	Alfie has been using the working walls in the classroom and his increasing mental recall of the two times table to count in 2s to solve multiplication problems during Maths lessons. Well done young man!
William B	In Maths this week, we have been learning the 8 times table and then looked at counting in multiples of different numbers. William was initially reluctant to count backwards but he challenged himself and completed the questions perfectly - well done and keep believing in yourself!
Daryl J	Daryl has had a great return to school. He has been making fantastic choices with his learning and showing dedication and focus across the curriculum. Well done Daryl. Keep it up.
Faith G	Faith performed amazingly in swimming this week, having a go at everything she was asked to do with real enthusiasm
Rylee E	I have been so impressed with Rylee and how he has met the challenge of 'change' this week with enthusiasm and resilience—well done!

Sports Stars of the Week:

KS1 - Thea (Yr 1) amazing running and long jump technique in athletics .

KS - Poppy (Yr 5) brilliant batting and fielding skills in cricket.

Summer 1		
Year Group	Child	Reason
R	Hugo B	Hugo has preserved this year with his fine motor control. Never giving up. Always listening and always trying to improve. Hugo now has great handwriting and can use his phonics to create sentences about his pictures
1	Ava W	Over the last year Eva has continued to grow in confidence and maturity. She is willing to have a go all the time now and will get involved in class discussions. Eva is challenging herself by having a go at extending her sentences in English and will always try her best at anything that is set for her.
2	Emily B	This year Emily has made strides forwards in all areas of her learning. She now works with greater independence in every lesson and demonstrates her new learning by attempting to apply it on her own. Both Mr Knight and Mrs Marsh are extremely proud of the progress you have made and the way you always give 100% effort! Keep it up super star!
3	Georgia CD	Georgia has impressed with her focus and attitude towards her learning as the year has progressed. She is listening more attentively and challenging herself more with her work which has been so good to see - well done Georgia.
4	Daryl J	Over the past year Daryl has developed skills to become a positive, resilient and more independent learner. His perseverance deserves to be recognised and Mrs Felis is incredibly proud of how far Daryl has come with his focus and attention to tasks at hand. Keep it up Daryl!
5	Hermione B	Hermione has worked so hard and has persevered throughout the last half term. She never gives up even when she sometimes finds things challenging. Well done Hermione - keep it up!
6	Wyatt R	I have been and am so incredibly proud of how far Wyatt has come this year - he has grown in confidence, resilience and independence. As his confidence has grown, he has been participating more in all subjects and I am very pleased to see him join in more with our sporting activities. As well as this I have been so pleased with his attitude in Maths, where he is showing a good understanding of the mathematical concepts he has been learning and applying them independently. Fantastic Wyatt - keep it up!!!

Why high attendance is important for education

As a parent/carer you want the best for your children. Having a good education is an important factor in opening up more opportunities in adult life. Did you know that:

- a child who is absent a day of school per week misses an equivalent of two years of their school life
- 90% of young people with absence rates below 85% fail to achieve five or more good grades of GCSE and around one third achieve no GCSEs at all
- poor examination results limit young people's options and poor attendance suggests to colleges and employers that these students are unreliable

All absence at any stage leads to gaps in your child's learning. This in turn can:

- mean that they fall behind in work
- affect their motivation
- affect their enjoyment of learning
- lead to poor behaviour
- affect their ability to have or keep friendships.

Supporting your child's school attendance

Good school attendance habits are best started early. Children learn from those around them and you as parents/carers set the standards and expectations for your child.

For hints, tips and advice on how you can support your child with their school attendance, check out the website: www.iow.gov.uk/schoolattendance
