TAPESTRY - ONLINE LEARNING JOURNAL

Dear Parent/Carer,

At Godshill Griffins all children in Pre-School have an online learning journal called Tapestry.

You can provide up to two parent/carer email addresses that we will link to your child's journal and this will enable you to access Tapestry and receive notifications.

Please complete and return this form giving details of the email addresses you would like to use.

By returning this form you are agreeing to our terms of use. Tapestry is only to be used as a learning journal, and any observations, photographs or videos remain the property of Godshill Griffins, and are not to be shared on any social media sites. Any posting of Tapestry photos on social media will result in your account being made inactive and you will then not be able to access it.

Please complete and sign both copies and return one to the pre-school, keeping the other for reference. Thank You.

Childs name: _____

Please tick this box if your child already had a Tapestry account at a **previous** setting.

Parent Carer name: _____

Relationship to child: _____
