23 March 2021

Dear Parents and Carers,

Please find attached the recent OFSTED letter from our monitoring visit at the beginning of the month. This wasn't a full inspection due to COVID-19 restrictions. The school has been deemed to have made effective action throughout the crisis and continues on its journey of improvement. This is the best possible outcome from these monitoring visits. This report will be on the OFSTED website after Easter.

We are really pleased that the school has been praised for its efforts in this period and that the overwhelming support of parents came through as a strength of the school. We still have work to do and we are already continuing our progress in making Godshill the best it can be.

I would like to thank all the staff for their continued hard work and commitment to our school. Their efforts have been monumental and I am immensely proud of all that they have achieved in supporting our pupils and wider community. I would also like to thank the children and I am in awe of how resilient and adaptable they have been in this unprecedented time.

If you have any questions regarding the report, please contact the office as at this time we are still unable to host a coffee morning or parents meeting. We look forward to the Easter break and look forward to a brighter and optimistic summer for us all.

Kind regards

Mr Snow
