6th October 2021,

Dear Parents and Carers,

We are writing to update you on the current situation in relation to the future of Chillerton and Rookley Primary School.

A new report has been published today (6 October 2021) by the Isle of Wight Council with potential options for the school going forward.

The options are wide-ranging and include many of the suggestions put forward as part of the informal consultation held earlier this year.

You can read the report in full on the Isle of Wight Council website.

The paper is due to go before members of the council's Cabinet on Thursday, October 14 2021.

Subject to their approval, all the options therein will undergo a full six-week public consultation during the autumn term, when everyone will have an opportunity to have their say.

We would again like to thank you for your ongoing support and engagement in this process. We recognise that this is a difficult time as we seek to determine the most appropriate approach that ensures sustainable educational provision for the local community.

No decisions have been made and we remain fully committed to ensuring all pupils have access to high quality education.

We will write again shortly with a further update and next steps.

Yours sincerely,

Di Barker

Chair of Governors
