School News

Dear Parents and Carers,

We have had a fantastically busy two weeks. Last week we had world book day, where staff and children came dressed in their favourite book character costumes and they looked amazing! The children spent all day doing exciting things, such as looking at different books and responding to them, creating book marks, acting out their own scripts and making models based on their characters. I would like to take this opportunity to apologise for the confusion over Usbourne Books visiting on World Book day; they will be coming in the future and we will keep you informed. I hope the children have enjoyed spending their World Book day tokens.

Last Friday night, Shakespeare class continued their investigations into Space by having a stargazing sleepover at school. Although the weather was against us, with the help of modern technology, we had a great time investigating the night sky and seeing how the constellations are arranged. There was very little sleep that night, however, the children behaved brilliantly and we all had a wonderful time.

I would like to say a big thank you to parents, for not only sorting the brilliant costumes for World Book day, but also creating some super scientist outfits for the children to wear on Monday, which kick started our celebrations of National Science week. The children have been exploring different scientists, as well as having the opportunity to immerse themselves in a wide range of investigations. They truly are turning into real scientists, by carrying out fair tests and questioning their findings. Keep up the great work!

The children have really enjoyed wearing red in school and their red noses and thank you for your donations, we have managed to raise £88.50. When you have finished with your red noses, rather than throwing them away, please return them to Sainsbury's, as they will be recycling them. Also, if anyone had the red nose day glasses from Specsavers and have finished with them, Specsavers will also accept them back, so that they can also be recycled and will be donating an extra 10 pence for every pair returned.

Please don't forget to look at the last page of this newsletter, where you will find some pictures.

Wishing you a restful weekend and we will see you all next week.

How we Challenge Achieve Respect
and Enjoy:

This week we have had the challenge of working in vertical classes so we have been mixing with different year groups for our science investigations. We have worked really hard at listening and supporting each other, which we have done really well.

Sports News

On Friday 8th, the U9 football team took on Shalfleet in the semi final of the league. In a closely fought game Shalfleet eventually won 4-0.

On Wednesday the U11 football team travelled to Wroxall for the semi final of the league. In very wet conditions the team played fantastic football and progressed to the final after winning 3-0.

The U11 indoor Cricket team took part in the Island Finals on Wednesday. They took part in three extremely close matches, with all of them being decided in the final over. With each match, Godshill improved their batting, fielding and bowling performances, culminating in them being a very tough team to play against. Once all of the results had been recorded, it was announced that the team had finished third out of all the Island schools. An amazing achievement!

On Monday 11th March, the South Region basketball champions, Godshill, took part in the all Island finals. In a very competitive tournament, Godshill finished tied in 6th place, out of the top twelve qualifying teams.

Well done to all of the players involved.

REMI NDERS:

Reception children need their wellies and waterproofs in school so that they can continue learning in their outdoor provision whatever the weather.

All children are expected to wear the correct uniform including school shoes, correct trousers (NOT jeans) and a shirt with a tie in KS2.

Please could PE kits/Footwear be in school every Mon—Fri.

Please ensure that ALL uniform is named.

Just a reminder that NO nail varnish should be worn to school.

Dinner money is now £1.95 per day. Breakfast Club starts at 8am—8:45am - After-school Club from 3pm—5pm.

Reading Books/Records: Please could reading books and reading records come in every day to school.
