This Weeks News

To support the delay of the spread of the virus, the Department for Health and Social Care has asked anyone who shows certain symptoms to stay at home for 7 days, regardless of whether they have travelled to affected areas. This means people should stay at home and avoid all but essential contact with others for 7 days from the point of displaying mild symptoms, to slow the spread of infection.

Full details of each stage in the government action plan can be found here:

<https://www.gov.uk/government/publications/coronavirus-action-plan>

Our U11 Football team beat Yarmouth 7-0 to reach the final of the U11 Island league.

Well done to all of the players, as they played some fantastic football yesterday and showed exemplary sportsmanship throughout.

School Money.

School money is a cashless on-line school system that allows parents and carers the facility to pay for children's school meals, Breakfast/Afterschool clubs, Pre-School and contributions for school trips etc: We can also take debit card payments at the school office. Please ensure that payments are made to the account/school **weekly** to keep on top of the payments, as otherwise debts rise and results in us not being able to offer these facilities. We appreciate this is a financially challenging time of year for many, please come and see us if we can offer support, or signpost you to services for financial support.

Letters for any period of absence.

If your child has an occasional illness and is unfortunately absent from school, a letter or email must be sent into school to confirm the reason for absence on their return. A call to the school office on every day of the absence by 9:15am is essential, but unless there is written evidence sent into school to confirm the verbal reason for the absence, the absence will be unauthorised, however authorising attendance is at the discretion of the Head. This forms part of the schools monitoring system and Education Welfare monitoring of the attendance of children. Any planned period of absence other than illness must be requested via a Leave of Absence form which can be obtained via the school office. Thank you in advance for your cooperation. Our attendance policy is available on the schools website.

Medicines.

At this time of the year there are more medicines in school, this does help manage childhood illness and prevent absence from school. In order to ensure there is a smooth, safe system for medicines, all medicines are to be **dropped off and collected** from the school office please by an **adult**. No medicines are to be given or collected in the classroom via the class teacher or teaching assistant. Thank you for your understanding in this to keep everyone safeguarded.

RECEPTION CLASS

Reception class have been donated 9 chicken eggs and an incubator. If all goes well the eggs will hatch on April 1st. The chickens will hopefully be housed in the reception class area once they have developed their feathers. Mrs Smith is very excited because we are hoping to show them at the county show later on in the year.

Reception class had their second visit of the year to Orchard house nursing home on Tuesday. They played games, made cards and talked to the residents. We had several lovely comments as to how smart and well behaved the children were. Well done everyone!
