## Here is our week in pictures

### Early Years

**Making advent calendars**

**Making a three little pigs interactive display**

## Class 1/2

The massive, mighty <sup>in</sup> Moon

The Moon is the <sup>biggest</sup> shiniest star in the sky.  
It doesn't have any heat.  
It looks so bright because it reflects the light from the sun.

There are several empty rectangular boxes for writing on the page.

## Class 3/4

### Equivalent Fractions

In year 3,4 in maths we have been working on fractions we just started. We have been going up to tenths and have been doing hard challenges. We used a fraction wall for example:  $\frac{2}{2}$  is the same as  $\frac{1}{1}$  and  $\frac{3}{6}$  is equal to  $\frac{1}{2}$ . Also  $\frac{1}{6}$  is equivalent to  $\frac{2}{12}$  and  $\frac{3}{4}$ .

### Science

Year 3,4 in Science we have been working on different types of rocks sorted them into groups of rocks sorted into groups of 3 like: sedimentary, igneous, and metamorphic. Sedimentary rocks are different layers of rock being pushed together forming other types of rock. Did you know that igneous rocks are made by molten rock and magma.

## Class 4/5

I liked writing and planning my story, we learned different skills,  
and different ways to plan our stories. It had to be about a pebble  
and the scene we chose.

## Class 6

This week we have been getting up to lots of things, we've been adding and subtracting fractions and in English we have been studying a character from Wolf Brother. Out of all of the things we have done, I enjoyed making timelines in History and making a powerpoint about biomes in IT the best.

## Stars of the Week

Liana Matson-Attrill	For showing kindness & compassion towards her younger friends & for always being so helpful.
Arthur Whiting	For his independent name writing.
Bella Pyke	For coming into school with an eagerness to learn, help & smile.
Harry Setz	For outstanding progress & scores in his recent spelling tests that are linked to phonics.
Ethan Owen	For fantastic work on fractions this week & for his positive, enthusiastic attitude to learning.
Brody Jackson	For working really hard & taking pride in the presentation of his work.
Amelia Parsons	For always doing the right thing at the right time. She is a role model for her work ethic & play ethic.
Maisie Paddon-Smith	For excellent progress in maths & determination to achieve the challenges & for pushing herself.
Zac Wiltshire	For making a massive improvement in effort, attitude & desire to learn. Keep it up!

We would like to thank you for your ongoing support in helping the children to transition back to school so well, ensuring they have the correct things in school and following the guidance we have set. This includes your support in sending the children to school in their PE kits on the correct days. This has worked really well.

**As a reminder, here are the days each class will need to wear their PE kit to school.**
